Dear Family Member:

For the next week our class will study the genre of expository text. We will be focusing on how each event in history is unique. We will discuss some important events from the past and how they have affected us.

Here are some resources that you can use with your child to help reinforce the skills we'll be practicing.

Student Learning Goals

Have your child put a check next to [the learning goals](#) he or she completes.

Word Workout

- Vocabulary You and your child will make up a story using all the words on the list.

Spelling Words

- Week 5: Diphthongs After your child looks at the list words for a minute, you will cover them. Then you will say each word and have your child spell it.

Comprehension: Sequence

Your child will read a few short paragraphs about events that occurred before the American Revolution. Have your child write a sentence about each paragraph and then put the events in the order of occurrence.
